Highlighted Guidance

Explore Health Rankings: The annual Rankings provide a revealing snapshot of how health is influenced by where we live, learn, work and play. Find and use your county data, read our reports, and learn more what and why we rank.

The new County Health Rankings measures of Living wage and Childcare cost burden use data provided by **The Living Wage Calculator**.

What Works for Health: Explore CHR&R's menu of over 400 evidence-informed policies and programs that can help make a difference in your community.

Read about the process What Works for Health has engaged to strengthen its disparity rating through two recent blog posts:

> What's in a disparity rating? [Identifying evidence-informed strategies to advance equity](#)

> What's in a disparity rating? [Simple yet nuanced is key to a successful tool](#)

County Health Rankings & Roadmaps

Building a Culture of Health, County by County
